Good afternoon Burt,

Now that the Policy Meeting is behind us, we have wrapped up drafting the letter to HHS Secretary Burwell that I mentioned at the last PCF meeting. It touches on the HHS buprenorphine regulations update, implantable/injectable products, as well as the CDC opioid prescribing guidelines. We are looking for additional signatories. Would you mind forwarding this message to the PCF listserv?

Organizations who are interested in signing may contact me directly at mgarza@claad.org or (202) 599-8435. We hope to send it within the next week/week and a half, before everyone begins to depart for the holidays.

Thanks so much!
